

BUILDING POSITIVE CHANGE

We aim to be your First Choice for civil projects, not only because you trust us to deliver a quality result, but also because we demonstrate a genuine commitment to contributing to the prosperity of Aotearoa New Zealand and the wellbeing of its people.

We have articulated this commitment to public value in our Building Positive Change strategy, which sets specific goals around environmental, economic and social sustainability.

Please visit our website cassidy.co.nz to find out more about our current initiatives and our progress towards achieving these goals.
